

2026 OAK RIDGE CONSTRUCTION OPPORTUNITIES CONFERENCE

LIMITED SEATING AVAILABLE - REGISTRATION IS REQUIRED

Light breakfast served

Construction firms seeking to expand their federal contracting portfolio are invited to join us for an opportunity to connect directly with major federal prime contractors and the Department of Energy's Office of Small Business Programs (DOE OSBP).

You'll gain insider knowledge on how Oak Ridge National Laboratory (ORNL), UCOR, Y-12 National Security Complex, and Tennessee Valley Authority (TVA) procure construction services and what they're looking for in sub-contractors and partners.

- **Direct Procurement Insights:** Hear from procurement representatives at ORNL, UCOR, Y-12, and TVA about their specific construction needs and how to position your business for success
- **Critical Compliance Requirements:** Navigate cybersecurity requirements, Foreign Ownership, Control, or Influence (FOCI) regulations, FAR Part 19 updates, and bonding essentials
- **Winning Strategies:** Master proposal writing and capture planning techniques that win federal construction contracts
- **Real Success Stories:** Learn from contractors who've successfully broken into the federal construction market
- **One-on-One Networking:** Connect directly with prime contractors and exhibitors during dedicated networking time

DATE:

July 28, 2026

TIME:

8:00 am - 12:00 pm EDT

LOCATION:

Roane State Community College, Goff Building
701 Briarcliff Avenue
Oak Ridge, TN 37830
