Long Description

ORNL seeks a small business that provides demolition services for its Department of Energy Mentor-Protégé Program. The company should be able to provide services as a small business under NAICS 238910 – Demolition Contractor. These services include, but are not limited to:

- Demolition and disposal of buildings
  - Removal of tanks, slabs/foundations, miscellaneous debris, etc.
  - Removal of utilities
  - Removal of roads
- Erosion controls
- Equipment removal
- Disposal of construction debris
- Backfilling and fill compaction
- Site restoration

Please provide a capability statement addressing the demolition services that would be provided.
