

SBIR/STTR Technology & Commercialization Forum:

Updates on DOE & DOD Research Opportunities

FEB 18, 2020 | 8 AM - 4 PM EST

Oak Ridge, Tennessee

Hear directly from Department of Energy (DOE) and Department of Defense (DOD) program experts about funding opportunities for your innovation.

Federal agencies spend research and development (R&D) budgets that exceed \$1 billion each year in the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Program.

Attend this event to understand how to take advantage of these opportunities.

You do not want to miss this impactful training and networking opportunity!

A host of high-level speakers will make this an exciting event. One-on-one sessions and networking will be available with potential resources and project partners.

Event Highlights:

- Learn from the leadership of the Dept of Energy's SBIR/STTR programs
- SBIR Proposal Tips and Program Topic Releases
- Information for Universities and Federal Labs
- State of Tennessee Grants & Matching Funds
- Technology Commercialization Strategies
- How to Pitch Your Technology Concepts
- Small Business SBIR Success Stories
- Protecting Your Intellectual Property
